ment just furnished the Army's chief athletic officer.

Some of the items that go to make up this wast total are 44.120 dozen (more than this wast total are 44.120 dozen (more than 100.000) buschall bats. That is not quite one baseball for every soldier in France, but it is possible that it is one baseball for every soldier whose free hours permit him time to use a baseball. There are 51.000 baseball gloves included in this quantity of supplies; 11,500 sets of boxing gloves, 30,706 ltugby footballs, 16,274 volley balls, 14,406 basketballs, 36,000 soccer balls and 625 big cage balls. This stock of athletic goods was ordered by the Y.M.C.A. prior to February 10, at which time the Army decided to assume control of the distribution of supplies to the various Army units.

AT THE DOUGHBOY RING

There's a ringside rope and a ringside ton
And a scrap at the Cirque Parce.
And the gallery gab from the office Irah
Gives a whoop for the referce;
But the crab at the slah who is keeping the talIs as grim as he wed to be.
And the freer comes from the long ego
Like the voice of a fal to me.

They are real straight stuff from a neck of twood In the good old U.S.A., And they shake their milts like the scrappers could In the time of a bygone day; And the hood of one stood for a blow that was good, And we're in for a finished fray; And we stend afoot like the sportswen stood

we stand afoot like the sportsmen.
When a heavy would reel and sway.

There's the stealth of a cat in their soldier feet.
And they're built like the brawey beary
And their bodies are grivey with sweat and heat.
And their eyes are like cods that glore—
And they hummer and beat, and they rush up and meet.
And they break, but they're always there it's blood in the veins of a Homesick Pete When a scrap's on the Bill of Fare.

AMERICANS TO ORGANIZE CRACK RUGBY TEAM FOR GREAT INTER-ALLIED GAMES

Rugby is not an American game, but just the same the Yanks will put a Rugby term in the field in an effort to defeat the best the Allies can put forward at the Inter-Allied games in June.

The British and French, and probably the formation of the Fourth Corps, it being the Rhine Yanks' intention to develop a good team, then go and the formation of the Fourth Corps, it being the Rhine Yanks' intention to develop a good team, then go are to good the found of the fourth Corps, it being the Rhine Yanks' intention to develop a good team, then go are to good the found of the fourth Corps, it being the Rhine Yanks' intention to develop a good team, then go are to good the found of the found o

MILITARY POLICE PREPARE WARM WELCOME FOR BUCKS ON LEAVE AT OLD ST. MALO

-By WALLGREN

thlictics among transients, and especially "bucks on leave" is a different matter, Lieut, James A. Noe, of the 244th Military Police Company, stationed at St. Malo is he Brittany Leave Area, is achieving ex cellent results and in line with Army's athletic program, sports will be a egular feature of entertainment there

As they are permanently located at St Male, the 211th Company of Military Police are organizing a baseball team and

Malo, the 21tth Company of Military Police are organizing a basebal team and plan to issue a standing challenge to permissionarios who visit that aren. The M.P. players promise to make things was the promise to make the property of the M.P. players promise to make things warm for the leave men, but on the baseball diamond and not in the brig.

The Headquarters Detachment of St. Malo already has a nine and declare they will attend to the visiting bucks if the policemen fail. In a game with a team of permissionaries last week, the Headquarters men won after a hard battle, 2 to 1, although the visitors outhin them and played well together despite their later. The head was the many who think it is—but that did not deter Pt. Everett K. Mohr of San Francisco, Headquarters Troop 8th Division, from taking a plunge, and after coming out of the sea Mohr is sisted that the water was fine, and proved that he liked it by going in again the following day. The is the first permissionaire to call for a bathing suit at the Y.M.C.A. this year, After his plunger was warm to be in himself declared the water many warm to the like of the player was a plange.
